The annual return figures, along with the final budget figures were scrutinised . **On the proposition of Councillor Jewell, seconded by Councillor Rose, it was agreed that they be recommended for approval at the next Parish Council meeting.**

#### **4. Flushing Car Park – estimated cost and funding**

A discussion was held on the way forward. It was agreed that it was now time for the full council to be updated on progress and potential costs. A public consultation was being held on Saturday at the Flushing Village Club and questionnaire published on social media and the Parish Council website. There would also be paper questionnaires available on the day for those unable to access the internet. The Clerk would arrange a special meeting when the completed questionnaires had been collated.

#### **4. CIL Monies**

So far 19,559.71 had been received in CIL payments. This would be earmarked and people invited to put forward projects which they thought would be eligible under the scheme.

A notice could go out with a link to the Cornwall Council criteria for use of the money.

## 5. Clock Tower

The Clerk advised that the solicitor was now proceeding on the basis that the Parish Council had once owned the deeds but that they had been lost over time. If successful this would give the Parish Council possessory title to the tower which could then become an absolute title in due course.

There being no further business, the meeting was closed at 20.23hrs
