

MYLOR PARISH COUNCIL

Clerk/Financial Officer: Mrs Anna Pentecost

Telephone: 07762 028332

E Mail: clerk@mylorparishcouncil.gov.uk

**MINUTES OF THE FINANCE COMMITTEE MEETING HELD ON 21st JULY 2026 AT 7pm IN THE
TREMAYNE HALL**

Present: Councillors P Baker (Chair), D O'Sullivan, C Savage, J Symons

In Attendance: Mrs A Pentecost (Clerk) Ms S Phillips (Deputy Clerk)

1. Apologies for absence

Councillor M Jewell

2. Declarations of interest –

None

3 Budget Update to 30th June 2026

No areas for concern, percentage of budget spend was 29.3 which was 4.3% over. However this was due to the budget being front heavy with grants, insurance premiums and subscriptions paid in the first quarter of this financial year. This should even out in the next quarter

4. Bank reconciliation to 30th June 2026

Checked and signed off by Finance Chairman. Noted

5. Quotes for resurfacing and relining the Sands car park and partial relining of the Leats Car Park

Two quotes received, waiting for a third from Cormac. The Clerk would chase this up

6. To consider whether the Parish Council should, in principle, agree to finance the additional parking restrictions identified

After some discussion, the following points were raised –

Should the parish council be spending precept money on something which was the responsibility of Highways

Even if the new lines were installed, there was no enforcement unless the parish council also paid for that. Without effective enforcement it was pointless

It could be regarded as double taxation as people were already paying for Highways work from their council tax

The work needed to be done as inconsiderate parking was causing accidents

The cost could not be covered by CIL receipts, the parish council would need to find the funds from the existing budget. The Clerk confirmed that this was possible.

In view of these points and the potential cost It was agreed that this should go to a full council meeting for a decision to be made, when the full cost was known.

7. CIL receipts – potential use of available funds

A list to be brought to a full council meeting for consideration and prioritising

8. Refurbishment of public toilet at Mylor

There was concern expressed at the ongoing cost of maintenance of the toilet especially in light of the persistent vandalism. It was agreed that the Clerk would look into increasing the security measures, including surveillance and a more robust door. Councillor Savage would mention the vandalism in her next piece for the Mylor magazine. The Clerk would also seek the advice of other parish councils through CALC to see if any had experienced the same difficulties and if so what solutions they had implemented.

5. Any other financial matters – for information only

There being no further business, the meeting ended at 19.54hrs
